

bigrep **CONNECT**

UNLOCK **DATA.**
DISCOVER **CONVENIENCE.**

BigRep CONNECT is a **one-stop platform** connecting you with your BigRep 3D printer, boosting productivity with remote monitoring and data analytics. Best of all, it's **completely free!**

MONITOR STATUS

Check printer status, sensor data, print progress, loaded material, and more.

GET NOTIFICATIONS

Get instant updates on printer status, file uploads, errors, and more.

UPLOAD REMOTELY

Remotely upload gcodes to your connected printer to start hassle-free jobs.

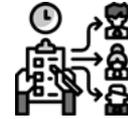

ORGANIZE JOB QUEUES

Keep track of print jobs with organized queues and archived job history.

REVIEW STATISTICS

Improve print quality, boost production, and reduce downtime with analytics.

MANAGE TEAMS

Create accounts, manage your team, and set printer access.

WE TAKE **DATA SECURITY** SERIOUSLY

Your data is yours; only you can access it. Your files remain **private** and **protected**.

BigRep only uses **anonymous, aggregated** data to improve the printing process.

We use **top industry-standard** encryption, authentication, and authorization.
